Hello Omega and Chandra,

I wanted to formally introduce myself. I know we have spoken a few times via teleconference and some sidebar phone conversations. I'm new to the Region 4 Office, serving as the EJ POC for the state of Tennessee, but I'm working with Cynthia to address some of the North Carolina community issues. My focus areas include children's health and community sustainability. My background is in analytical chemistry and toxicology, community health education and risk communication. I am here to make sure the community's voice is heard, and I hope that I can assist with moving your organization's concerns to forefront. I look forward to meeting you both in person.

My information is listed below. Feel free to contact me anytime.

Best,

**Subject:** JUNE 9th NC-IWG EJ Community meeting location?

Vickey,

Just checking on meeting room location for the June 9<sup>th</sup> afternoon NC-IWG Planning Team face-to-face with NC EJ community leaders.

I think we end the HHS-Climate Justice session at 12-noon at NIEHS building. If the meeting is at NIEHS bldg., it will help avoid going through security again or driving to another location.

Appreciate an update so we can inform participants,  
Omega & Brenda
